

Experience a day of competitive fun at one of the country's most impressive golf courses while helping us make good on our promise: At the YMCA, no one is turned away because of an inability to pay. Hundreds of youth, families and seniors will benefit from the YMCA experience thanks to your support.

The YMCA of Southern Nevada has been setting the pace for family wellness since 1944. A nonprofit organization, the YMCA builds strong kids, strong families and strong communities through aquatic, health and wellness, youth and family, and sports programs for individuals of every age and fitness level. The Y's four core values of caring, honesty, respect and responsibility are at the heart of it all. Area residents can access three locations:
