

**FOR YOUTH DEVELOPMENT  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY**

November 28, 2011

Dear Y Member,

You are a valued member of our Y community. Thanks in part to your patronage, we are strengthening Southern Nevada and helping individuals of every age and fitness level reach their potential.

Since 1944, we have been committed to providing award-winning programs in the very best facilities. We recently replaced cardio equipment at all of our sites and opened the SkyView YMCA in North Las Vegas, providing you with even more ways to stay active! We strive to continue our tradition of excellence while keeping fees affordable. While we always look for ways to gain efficiencies and maintain our core values, we must adjust rates periodically to keep pace with rising expenses. Monthly rates will increase as follows beginning with the January draft or when your membership renews:

- \$2 per family membership
- \$1 per youth, individual and senior membership

We worked diligently to keep the increase low. Any increase, however minimal, may cause concern for some members. Remember, at the Y, no one is turned away due to an inability to pay and financial assistance is available.

We look forward to serving you in 2012 and beyond!

Warm wishes for a great holiday season,

Mike Lubbe, President & CEO
