

MAINTAIN A HEALTHY ENVIRONMENT

Let's work together to keep the Y a healthy place for everyone. Please follow these practices during this season to keep yourself and others healthy while enjoying our pools and water parks.

Stay home when you or a member of your household is sick.

Wash your hands often with soap and water for at least 20 seconds.

Y staff will be sanitizing frequently.

The Y encourages all patrons to bring their own Coast Guard approved life jackets.

Uphold Social Distancing by maintaining 6 feet between you and your respective family units & others in the pool.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Please do not wear face coverings in the water.

Patrons are encouraged to arrive & leave wearing their swim suits.

There will be limited access to the locker rooms - public restrooms are available.

The Y will maintain capacity per state guidelines in the current phase.
