

THE Y. FOR A BETTER US.

2021 COMMUNITY IMPACT REPORT

For 77 years, the YMCA of Southern Nevada has provided the support our community needs to learn, grow, and thrive. By offering dozens of Youth Development, Healthy Living, and Social Responsibility programs that serve tens of thousands of Clark County residents each year, our diverse reach and impact is unparalleled. As a 501(c)(3) charity, we work tirelessly to ensure all are welcome at the Y and that nobody is turned away due to the inability to pay.

RESPONDING IN REAL-TIME TO LOCAL ISSUES

The Y will always work to meet community needs in times of crisis. And when the crisis is over, we will be there to help our communities recover. Today, the need for the Y is greater than ever. That's why we continue to develop programs and adapt to meet the changing needs of our communities.
