SILVER SCREEN SUMMER

2022 CAMP GUIDE | LASVEGASYMCA.ORG

SILVER SCREEN SUMMER!

MAY 31 THROUGH AUGUST 5

Why Y Camp?

What makes Y Camp stand out from other day camp programs is its comprehensiveness. Y Camp keeps kids physically active through games, sports, and pool time. Creativity is sparked and learning is promoted through crafts, skits, camp songs, literacy activities, and STEAM projects (Science, Technology, Engineering, Art, Mathematics). Character is developed through our Y Ties Initiative, conflict resolution skill building, and by instilling the Y's Core Values (Respect, Responsibility, Honesty, and Caring) throughout the day. That's just the tip of the iceberg! Each week is a new and exciting adventure, jam-packed with tons of fun activities that appeal to a wide range of interests and abilities.

Now, more than ever, the Y recognizes the need for the continued support of our campers' social-emotional wellness. Each day, campers will participate in fun and enriching wellness related activities. These arts, literacy, and physical activity-based activities will stretch your child, while still providing the fun, high-energy camp experience that the Y is known for.

Raising the B.A.R. in Camp!

We've raised the "B.A.R." at Y Camp! Your camper will feel a sense of **Belonging**, where they will feel comfortable expressing their individuality in a safe and respectful environment. They will feel a sense of **Achievement** as they develop new skills and realize their passions and talents. They will build **Relationships** with their Y-Leaders and fellow campers that inspire them to reach their full potential. These important elements are interwoven throughout all camp activities and lay the foundation for everything we do.

MISSION IN ACTION

≡ FINANCIAL ASSISTANCE

We believe strong communities are possible only when we invest in our kids, our health, and our neighbors. This is done by providing high-quality, affordable programming that is accessible for all. Thanks to the generous support of donors, the Y is able to ensure that no one is turned away due to the inability to pay – as long as funds and space are available. Visit a Y or our website for more information about our Camp Financial Assistance Program. Inquire early as it can take up to 10 business days for us to approve your application.

Visit lasvegasyymca.org/contact-us to apply.

≡ PAY IT FORWARD

As a community-driven charity, we encourage children and adults of every age to give back. Ask about how to volunteer, make a donation to the Y's Annual Campaign so you can "Pay It Forward," or leave a family legacy by joining our Heritage Club. Every contribution, no matter how small, has the power to strengthen the community we all share.

≡ FOOD SERVICE PROGRAM

SUMMER | Meet Up To Eat Up

No child goes hungry at the YMCA! Each day, hundreds of children across Southern Nevada are served a FREE, nutritious cold lunch and afternoon snack through the Y's Summer Food Service Program. Should your camper prefer to pack their own lunch and/or afternoon snack, they can place the free food on our sharing table for other campers to enjoy.

In accordance with Federal Law and US Department of Agriculture Policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

Note: The Summer Food Service Program is not offered at the Centennial Hills YMCA.

SILVER SCREEN SUMMER!

CAMP THEME

Attention Channel Surfers:

Your YMCA Camp Counselors need your help! Late one night, the evil Static reached through the TV screen, stealing the YMCA Character Slate. In an effort to save the slate, the counselors jumped into the TV and are now stuck on Channel Y. The only way for them to return home is to surf the channels, gaining stripes for the Character Slate along the way. You will roam with dinosaurs, follow the Yellow Brick Road, explore the Temple of the Lost Y, and even get lost in space! Do you have what it takes to bring your counselors back to reality?

TRADITIONAL DAY CAMP | AGES 5-15

Traditional Camp is so much more than just a place to go when school's out for the summer. At Y Camp, campers have fun, develop skills, and gain confidence through games, swimming, sports, crafts, educational activities, character development, and so much more. During the summer, children lose up to 30% of knowledge gained during the school year. Therefore, we incorporate fun literacy and STEAM-based activities to combat the summer slide and advance your child's learning.

CAMP AGE GROUPS

The YMCA of Southern Nevada offers the following traditional camps all summer long, Monday - Friday from 7:00 AM to 6:00 PM. Campers are divided into smaller groups based on their age, so that they are paired with similarly-aged peers and can enjoy developmentally appropriate activities. Each Y may group campers differently and reserves the right to regroup campers as needed. Campers must meet the group's age requirements by the last day of camp. Please speak with the Camp Director if you have a special request in this regard.
