Terms/Conditions for the application and when approved for Financial Assistance. Please initial and sign below.

I understand the YMCA does not give 100% financial assistance. It is a membership-based organization and depending on my income and the number of members in my household, the monthly membership payment that I will have to pay after the financial assistance ranges as follows: Youth \$9.00-\$24.00, Adult \$11.70-\$31.20, Family \$20.70-\$55.20, Senior \$10.50-\$28.00.

I understand a Family Membership includes only parents and all dependents listed in the latest tax return.

I understand that if approved, financial assistance for summer camp program is NOT included.

I understand the maximum program financial assistance is 25% of the cost of the program and is limited to the type of program and space availability. Program registration may be denied if I have any unpaid account balance.

I understand any falsification of documents can result in automatic denial of my application.

I understand my application for financial assistance will not be considered until I've paid all past balances due.

I understand if my membership is paid through a monthly draft and the draft is declined twice, the Y will terminate my membership and I can only renew my membership if I pre-pay six (6) months in cash.

I understand that the YMCA at its discretion may require me to re-apply for financial assistance to keep my information updated. I understand that failure to re-apply may be grounds for termination of my membership.

I understand I may be asked, and with my consent, to give oral or written testimony regarding the benefits of the YMCA financial assistance to myself and to the members of my household.

I understand it will take up to four (4) weeks to approve my application and the YMCA may request other documents if needed, which may further delay the approval of my application.
