Every day for 72 years, the YMCA of Southern Nevada has given our community the support it needs to learn, grow and thrive. From advocacy to food security, disease prevention to athletics, weight lifting to dance classes, everything we do helps strengthen our neighborhood and the people who live here. As a 501(c)(3), we work hard to ensure all are welcome at the Y and no one is turned away for an inability to pay.

FOR A BETTER YOU.
FOR A BETTER COMMUNITY. FOR A BETTER US.

At the Y, strengthening community is our cause. Strong communities don’t just happen; they’re the result of steady leadership and stewardship of strong values. That’s the Y. We make a difference by focusing on three key areas: youth development, healthy living and social responsibility. By investing in our kids, our health and our neighbors, the YMCA of Southern Nevada ensures that everyone, regardless of age, income or background, has the opportunity to develop.

Our Mission: To put Christian principles into practice through programs that build a healthy spirit, mind and body for all.
