Why Y Camp?

What makes Y Camp stand out from other day camp programs is its comprehensiveness. Y Camp keeps kids physically active through games, sports, and pool time. Creativity is sparked and learning is promoted through crafts, skits, camp songs, literacy activities, and STEAM projects (Science, Technology, Engineering, Art, Mathematics). Character is developed through our Y Ties Initiative, conflict resolution skill building, and by instilling the Y’s Core Values (Respect, Responsibility, Honesty, and Caring) throughout the day. That’s just the tip of the iceberg! Each week is a new and exciting adventure, jam-packed with tons of fun activities that appeal to a wide range of interests and abilities.

Now, more than ever, the Y recognizes the need for the continued support of our campers’ academic success while out of the classroom. This summer, the Y is fully committed to combatting the summer slide! Each morning, campers will participate in fun and enriching academic challenges and activities. These STEAM and literacy-based projects have been designed to exercise your child’s mind and enrich what they have learned in the classroom, while still providing the fun, high-energy camp experience that the Y is known for.

Raising the B.A.R. in Camp!

We’ve raised the “B.A.R.” at Y Camp! Your camper will feel a sense of Belonging, where they will feel comfortable expressing their individuality in a safe and respectful environment. They will feel a sense of Achievement as they develop new skills and realize their passions and talents. They will build Relationships with their Y-Leaders and fellow campers that inspire them to reach their full potential. These important elements are interwoven throughout all camp activities and lay the foundation for everything we do.

CHECK OUT WHAT’S NEW IN Y CAMP!

• Increased educational activities, focused on literacy, math, science, arts, and humanities to combat learning loss associated with extended school closures. Unlike traditional coursework, these are interactive and hands-on activities that promote continued learning.

  Educational activities will occur each morning. Literacy, science, and art activities are each facilitated twice weekly. Math and humanities activities are each facilitated once per week.

• Morning (8:00 AM – 1:00 PM) and afternoon (1:00-6:00 PM) half-day options at a reduced cost of $100/week.

• Financial assistance available (until funding runs out) for families who need extra support.

• Risk-free enrollments. Campers are entitled to a full refund for services that are not rendered, so long as notice is provided by the Wednesday before the respective week of camp. Full refunds are available for any programming cancelled by the YMCA.

• Not a YMCA Member? Take advantage of the Y’s three-month Summer Sizzlin’ Membership for $150/family or $75/individual, and save 10% off of each Traditional Camp week.

• Curbside-only drop-off and pick-up during peak times (7:00-9:00 AM and 4:00-6:00 PM,
• Significantly smaller group sizes; spots will fill on a first-come, first-served basis so we strongly recommend that parents enroll early.

• Smaller ratios (1 staff per 10 campers).

• Frequent hand washing/sanitizing.

• Frequent sanitizing of rooms and supplies.

• Enhanced staff training on promoting positive behavior and mental health.

• Modification of large group Fun Friday Assembly to smaller group Camp Celebrations.

• Promotion of healthy hygiene, including personal bubbles, elbow bumps instead of high-fives, covering mouths for coughs/sneezes, not sharing food/beverage items, and not touching faces.

• Encouraging campers to wear a pair of “camp only” shoes.

• Requiring parents to report any illness within the household to the Camp Director immediately for assessment and prompt response.

• Thorough wellness checks at sign-in and throughout the day for staff, volunteers, and campers. Please prepare for sign-in to take longer this year as we prioritize safety over speed.

• Campers, staff, and volunteers must stay home if they feel ill or exhibit signs/symptoms of any communicable illness during wellness checks. While these signs/symptoms may be experienced by individuals with conditions that are not communicable (e.g., allergies), government guidelines dictate that childcare centers should not admit an individual displaying these signs/symptoms nonetheless.
JOIN THE Y

YOUR EXTENDED FAMILY!

Campers must be Y Facility Members OR Y Program Members to enroll in Y Camp. Becoming a Y Facility Member provides you with access to all four Y locations, tons of free amenities, and even discounts on programs at certain Y’s. Program membership provides non-members with access to Y programs for an annual fee of $50/individual and $70/family.

Non YMCA members are also able to take advantage of the three-month Summer Sizzlin’ Membership for $150/family or $75/individual, and save 10% off of each Traditional Camp week!

Y REFUND POLICY

Refunds/credits are issued in accordance with the following policies:

• All refund/credit requests must be submitted utilizing the appropriate YMCA-issued form, which can be collected, completed, and submitted at the Member Services Desk.

• 100% refund for camps cancelled by the YMCA.

• When cancelled by the participant, a request received on or before the WEDNESDAY prior to the start of the respective week of camp will receive a 100% refund. Thereafter, the refund may be provided as a YMCA account credit at the discretion of the Summer Camp Director.

• A full or partial credit may be granted at the Camp Director’s discretion if the camper’s illness exceeds two full camp days and a doctor’s note is submitted with the request.

• Refunds/credits will NOT be provided for services rendered.

• Refunds/credits will NOT be granted to campers who have been suspended or expelled from camp due to behavioral issues or policy violations, as determined by the Camp Director.
We believe strong communities are possible only when we invest in our kids, our health, and our neighbors. This is done by providing high-quality, affordable programming that is accessible for all. Thanks to the generous support of donors, the Y is able to ensure that no one is turned away due to the inability to pay – as long as funds and space are available. Visit a Y or our website for more information about our Camp Financial Assistance Program. Inquire early as it can take up to 10 business days for us to approve your application.

As a community-driven charity, we encourage children and adults of every age to give back. Ask about how to volunteer, make a donation to the Y’s Annual Campaign so you can “Pay It Forward,” or leave a family legacy by joining our Heritage Club. Every contribution, no matter how small, has the power to strengthen the community we all share.

SUMMER | Meet Up To Eat Up
No child goes hungry at the YMCA! Each day, hundreds of children across Southern Nevada are served a FREE, nutritious cold lunch and afternoon snack through the Y’s Summer Food Service Program. Should your camper prefer to pack their own lunch and/or afternoon snack, they can place the free food on our sharing table for other campers to enjoy.

In accordance with Federal Law and US Department of Agriculture Policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

Note: The Summer Food Service Program is not offered at the Centennial Hills YMCA.

It takes a village! At the Y, we take our responsibility to your family very seriously. That’s why we work hard to keep you informed. In that effort, we encourage your active participation and ask that you please keep your most recent contact information on file (including cell phones and email addresses). Since communication is a two-way street, we also strongly encourage you to reach out when things come up – whether they are questions, ideas, concerns, or compliments. We are always happy to assist!
BLAST TO THE PAST!

CAMP THEME
Time travelers unite! Dr. DeLorean has returned from the future and was surprised to see how society will forget so many character values that were learned throughout history. She’s now seeking brave travelers to embark on an expedition through time to absorb these values and carry them into the future.

Guided by Time Keepers, Time Travelers will spend each week in a unique era in time, working together to solve riddles and complete challenges that will test their knowledge of that era’s character value. With the value instilled within them, the Time Travelers will return to the present with an artifact to prove their mission has been completed.

Careful, though, because the journey will not be easy. The Time Thief wants to be the only one with the power to bend time and space, so they’ll try to stop you at every turn. Do you have what it takes? The future is in your hands!

TRADITIONAL DAY CAMP | AGES 5-15
Traditional Camp is so much more than just a place to go when school’s out for the summer. At Y Camp, campers have fun, develop skills, and gain confidence through games, swimming, sports, crafts, educational activities, character development, and so much more. During the summer, children lose up to 30% of knowledge gained during the school year. Therefore, we incorporate fun literacy and STEAM-based activities to combat the summer slide and advance your child’s learning.

CAMP AGE GROUPS
The YMCA of Southern Nevada offers the following traditional camps all summer long, Monday – Friday from 7:00 AM to 6:00 PM. Campers are divided into smaller groups based on their age, so that they are paired with similarly-aged peers and can enjoy developmentally appropriate activities. Each Y may group campers differently and reserves the right to regroup campers as needed. Campers must meet the group’s age requirements by the last day of camp. Please speak with the Camp Director if you have a special request in this regard.

*LEADERS-IN-TRAINING (L.I.T.) | AGES 12-15
Our Leaders-In-Training Camp is specifically designed for teens! In addition to many of the Traditional Camp activities, L.I.T.’s partake in a variety of unique experiences that include fun community service projects, special guest speakers, creating our weekly camp newsletter, becoming Heroes, and more!

BECOME A HERO | Y TEENS GIVE BACK!
The Become a Hero Initiative is designed to offer our Leaders-In-Training with opportunities to strengthen their leadership skills while gaining volunteer experience and possibly school community service credits (inquire about this at your child’s school). This initiative allows L.I.T. Campers to work alongside positive role models as they lead activities with younger campers, serve on the lunch prep team, and are guided through a series of volunteer opportunities within their Y.
A TIME TRAVELER’S TYPICAL DAY

Please note that the following is a sampling of a typical day at Y Camp. Activity schedules vary by branch, age group, and day of the week.

7:00 AM – WELCOME TO THE LAB
Gear up for a fun day of time travel with your friends! Time Travelers will start their day at interactive activity stations that include board games, literacy, crafts, and small group games.

8:00 AM – TIME TRAVELERS UNITE
Dr. DeLorean needs your help! Gather in the lab for your daily mission. Artifacts have been scattered throughout time, and only YOU can uncover them. Help Dr. DeLorean build her time travel artifact museum by completing challenges and solving riddles - and learn character values along the way.

9:00 AM – BLAST TO THE PAST
Power up for a day of time travelling fun with a healthy snack! Time Travelers will then break into age groups for a morning of engaging academic enrichment. Each week, we will be exploring the accomplishments of a different time period. Get ready to walk on the moon like Neil Armstrong, make your own toothpaste like the Ancient Egyptians, do math like the Romans, and more!

12:00 PM – FUEL UP
Fuel up with a healthy lunch before cooling off in the pool! Alternative activities are available for those who prefer to stay back in the lab! Is your Time Traveler extra passionate about STEM, sports, or art? Weekly specialty camps will be available during this time, for an additional fee.

2:00 PM – WIND BACK THE CLOCK
Continue your journey through time while hunting for hidden artifacts! Time Travelers will dance their way through the decades, while making arts and crafts, playing team sports, and more.

4:00 PM – CAMPFIRE
Jump back into the present, wind down, and enjoy a healthy snack! Time Travelers will meet back in the lab to celebrate today’s achievements and participate in interactive activity stations.

6:00 PM – FREEZE TIME
Rest up for another day of adventure! See you again soon!

SPECIALTY CAMPS | AGES 5–15
Many campers just can’t get enough of the fun, so we provide even more ways for them to make this the best summer ever! Specialty Camps provide two hours per day (M–TH, 1:00 PM – 3:00 PM) of heart-pounding, hair-raising, creative fun. Check out Page 9 of the Camp Guide for offerings. Campers spend the rest of the time (M–F) with their Traditional Camp friends. (Traditional Camp is included in the Specialty Camp price). All Specialty Campers must be signed-in by 12:00 PM. Specialty Camps run in the afternoon, Monday–Thursday, which means campers may miss Traditional Camp swim time on those days.

CODING ACADEMY | 1:00 PM – 3:00 PM | M–TH | CENTENNIAL HILLS Y ONLY | $235
Ever wanted to learn how to create a video game? Check out the Y’s new Coding Academy Specialty Camp! Participants will learn the fundamentals of coding by creating video games through fun activities led by friendly, trained staff. The Y’s Coding Academy Specialty Camp focuses on instilling 21st Century Skills, such as critical thinking, problem solving, and creativity, which are key attributes for future success! Coding Academy Specialty Camp takes place during weeks 2, 4, 6, 8, & 10.

ROBOTICS ACADEMY | 1:00 PM – 3:00 PM | M–TH | CENTENNIAL HILLS Y ONLY | $235
Spark the creativity within you through this hands-on STEM program! Participants will spend the first part of the week designing, engineering, and coding their Lego EV3 robot. From humanoid robots, games, printers, dozers and trucks to bionic reptiles, creatures, and critters, participants can design to their imagination’s desire. Participants will then engage in games, tournaments, and challenges with their new robot. Participants will be guided in every step of the process by an experienced robotics instructor, who will help each child develop 21st Century Skills such as creativity, critical thinking, collaboration, and communication - each of which are proven drivers to success in the modern world. Robotics Academy Specialty Camp takes place during weeks 1, 3, 5, 7, & 9.
